

Skilled Migrant Employment Register

The *Skilled Migrant Employment Register* helps employers connect with skilled migrants to build their workforce. Meeting Western Australia's skilled workforce needs to support our State's strong economic growth and pipeline of works is a priority for the State Government.

What do I do when I find a skilled migrant that I wish to connect with?

1. [Fill out the *Connect with a Skilled Migrant* registration form](#);
2. Contact WA Migration Services via jobconnect@dtwd.wa.gov.au, quoting the unique identifier (e.g. JCM0722 - XXX) of the skilled migrant/s you wish to connect with; and
3. Upon receipt of the enquiry, WA Migration Services will provide the skilled migrants contact details to you so that you can make direct contact.

You will only need to complete the *Connect with a Skilled Migrant* registration form once. When you submit the form, WA Migration Services will allocate you an **employer identifier** (e.g. JCE0722 - XXX) that you can quote for all future enquiries.
